

Dermaclear advanced phyto-active treatment pack
clinically proven botanicals offer help for blemished skin

Recommended use:

Each morning:

- Cleanse with **Seaweed Soap Free Cleanser**
- Spritz **Dermacalm Toner** on face
- Finish with **Dermaclear Lotion**

Each evening:

- Cleanse with **Seaweed Soap Free Cleanser**
- Gently exfoliate with **Bamboo Polish**
- Spritz **Dermacalm Toner** on face
- Finish with **Dermaclear Lotion** (if you have sensitive skin, wait at least 15 minutes after exfoliating before applying Dermaclear Lotion).

Morning and evening:

- Take 2 **Dermaclear Capsules**

Twice per week:

- Mix **French Green Clay** powder with floral water or distilled water to make a paste and apply as a facial mask. Allow the mask to dry for 15-20 minutes and then rinse well. Follow with **Dermacalm Toner** and **Dermacalm Lotion** (if you have sensitive skin, wait at least 15 minutes after rinsing the clay mask before applying Dermaclear Lotion).

***Dermaclear
Pack***

Dermaclear acts on the multiple causes of problem skin

Problem or blemish-prone skin conditions show signs of enlarged pores, shiny-oily surface, “break-outs,” and inflammation. Many over-the-counter skin remedies only work to dry up problem areas, often leaving already sensitive skin feeling sore and irritated. The unique features of **Dermaclear**’s effective skin-clearing formula, are the superior anti-inflammatory skin soothing ingredients that synergistically work to help *clear and calm* - resulting in a balanced, healthy skin.

Ac.Net® is a patented ingredient clinically shown to inactivate *Propionibacterium acnes*, *Acinetobacter calcoaceticus* bacteria and *Pityrosporum ovale* yeast, reduce inflammation, and reduce sebum production. **Bacocalmine**® is an extract of the Bacopa monniera plant, one of the primary anti-stress herbs of the Ayurvedic healing system. Among its many beneficial properties, **Bacocalmine**® helps protect skin from free radicals and attack from oxidizing agents, with superb antibacterial and anti-fungal effects. **BV-OSC**® is a stable oil-soluble Vitamin C ester with excellent percutaneous absorption. Increasing this formula’s effectiveness, **Evermat**® reduces sebum secretions, leaving skin with tighter pores and a smoother, matte surface. Added as a most valuable ingredient, **UGL Complex**© is a calming skin exfoliator, enhancing skin luminosity and clarity. Distilled from coconut oil, **Monolaurin** is a fatty acid shown to possess antimicrobial, antibacterial and antiviral properties. Phyto-active plant extracts of **Gotu Kola**, **Green Tea**, and **Aloe** further enhance the powerful antioxidant, skin healing effects of **Dermaclear Lotion**.

Dermaclear Lotion Ingredients: citrus aurantium amara (neroli) flower water, caprylic/capric triglyceride, butylene glycol (& peg-60 almond glycerides (& caprylyl glycol (& glycerin (& carbomer (& nordihydroguaiaretic acid (& oleanolic acid (ac.net ®), bacopa monniera extract (& water (& peg-8 (& hydroxyethylcellulose (bacocalmine ®), butylene glycol (& enantia chloranha bark extract (& olenolic acid (evermat ©), glucosamine hcl & algae extract & yeast extract & urea (ugl complex ®), sodium pca (& betain (& sorbitol (& glycine (& alanine (& proline (& serine (& threonine (& arginine (& lysine (& glutamic acid, glyceryl monolaurate (monolaurin), centella asiatica (gotu kola) extract, camelia sinensis (green tea) leaf extract, aloe barbadensis leaf juice, glyceryl stearate, tetrahexyldecyl ascorbate (bv-osc® stable vitamin c ester), tocopherol (natural vitamin e), tocopheryl acetate (natural vitamin e), boswellia carterii (frankincense) oil, lavandula angustifolia (lavender) oil, citrus bergamia (bergamot, fcf) oil, trace mineral complex (sn, zn), phenoxyethanol, ethylhexylglycerin, benzyl alcohol.
